

# YOUR VOICE IS THE KEY TO CHANGING LIVES FOREVER

Black women deserve more than what the statistics have to offer. Wanting better outcomes for you and your loved ones? Now is your opportunity. By giving just a fraction of your time, you can help us learn how to change health outcomes for Black women across the country for generations to come.

The American Cancer Society is enlisting the help of 100,000 Black women willing to lend their voices and be heard on a massive scale. Women who are leaders, and who will effect positive changes in the health of their communities for a forever changed future.
